Fairville Management Company, LLC

Maple Heights is a family community offering the best in affordable housing. With attractive building design and professionally landscaped grounds, including a tot-lot and picnic area, Maple Heights is more than an apartment, it is a place your family can call home.

Our community center offers a comprehensive package of on-site services. Staffing includes a Tenant Service Coordinator to assist our residents in obtaining a wide variety of services. Computers with internet service are available for educational purposes. An after school homework club is offered daily to all school aged children. Other activities include community events, vocational training, health and nutritional services, financial counseling and more.

Location

Conveniently located off Rt 273
