Stony Run

APARTMENTS

Proudly Managed By
Fairville Management Company, LLC

Stony Run offers the best in affordable housing. We provide our residents with more than just an apartment, we provide a community you will be proud to call home.

Our community center offers a comprehensive package of on-site services. Staffing includes a Tenant Service Coordinator to assist our residents in obtaining a wide variety of services. Computers with internet service are available for educational purposes. An after school homework club is offered daily to all school aged children. Other activities include community events, vocational training, health and nutritional services, financial counseling and more.
